

GOtv S

Streaming Dongle

OVERVIEW

The GOtv S streaming dongle delivers an outstanding 4K ULTRA HD viewing experience on Android TV 12 with simple setup and intuitive operation. Small size makes it easy to fit anywhere, while Dolby Digital & Dolby Atmos provide immersive rich sound alongside sharp and stunning visuals. The smart remote puts full control at your fingertips, offering voice search, app shortcuts, volume and channel management, and quick input switching, making streaming effortless and enjoyable.
